

York Indoors 2009

Information Pack

Sports Centre, University of York YO10 5DD
Saturday 10th – Sunday 11th January 2009

Venue

The tournament will take place in the sports tent in the sports centre, at the south of the main campus of York University.

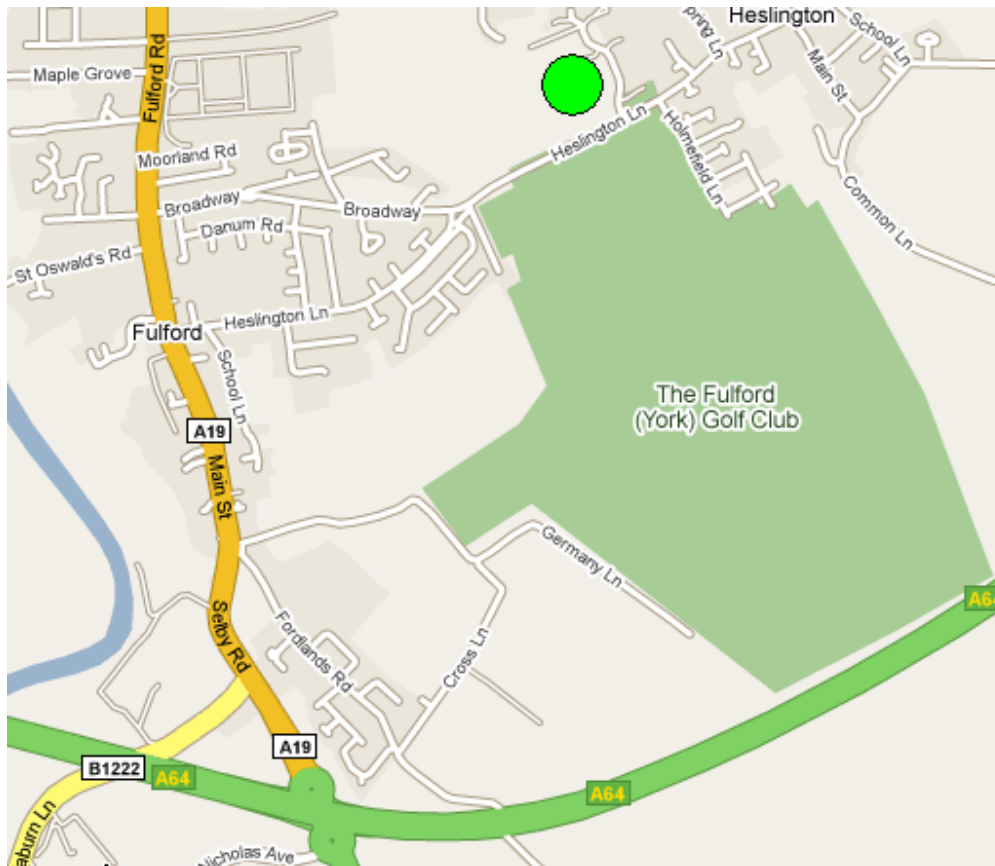

The sports centre is circled in red, and the car park to use (free on weekends) is circled in green.

Getting there

By car:

On the A64 to York, go left onto the A19 and then turn right onto Heslington Lane. This will take you to the south side of campus, then you turn left into Goodricke Way and the car park will be on the right.

By public transport:

If you come by train, you can get the number 4 bus from right outside the station to the campus. It's a big purple bendy bus so it's pretty easy to spot. The little B's in purple circles on the first map show you where you can get off.

Games

Saturday: 11:30 – 5:30

Sunday: 9:30 – 4:30 followed by presentation.

Games will be 20 minutes with a 2 minute break in between. Schedule and rules to follow soon.

Accommodation

Accommodation will be in York Ultimate players' houses. Debs (see contacts list) will be organising this, and you should be able to dump your bags at a house before going out.

If you need accommodation for Friday night as well let me know asap.

Food

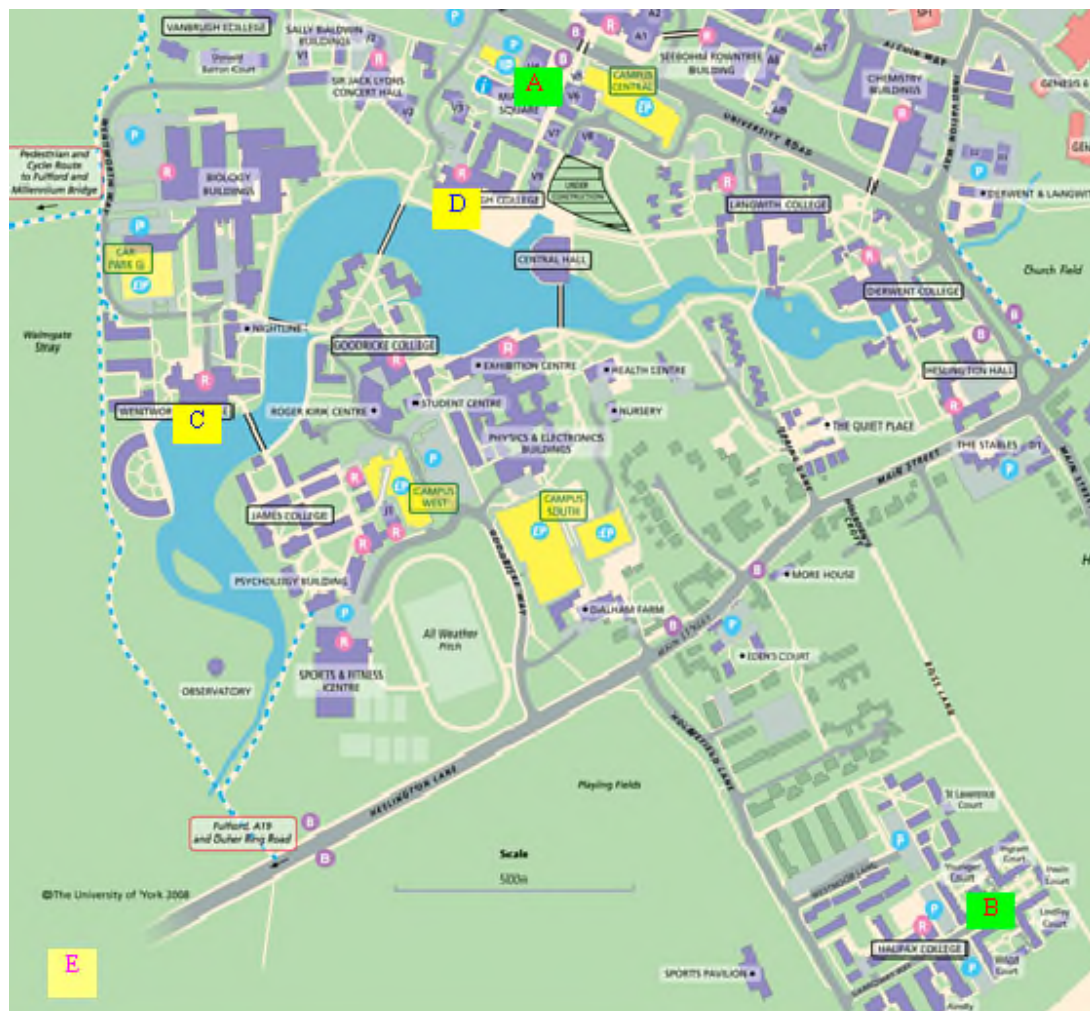

There are several options for getting food on campus, as indicated on the map:

A: Costcutter in Market square. This will be open from 10am till 2pm on both days.

B: A smaller Costcutter in Halifax College. This will be open from 8am till 12pm on both days.

C: Wentworth dining hall will be serving lunch from 12:15pm till 1:30pm on both days. It also serves dinner from 6pm to 7pm on both days.

D: Vanburgh dining hall will be serving lunch from 12pm till 2pm on the Saturday only.

E: There is also a Co-op in Fulford, about a 10 minute walk from the sports centre. If you go out onto Heslington Lane, turn right and then take the right-hand fork onto Broadway, it's on your left after a few minutes. It's open 8am till 10pm every day.

Water may be in short supply in the sports centre, so make sure you bring plenty.

Saturday Night

I like to party. Everybody does. So we've booked out the upstairs of the Blue Fly bar in town. Your host can recommend somewhere to eat beforehand and then take you to the party, and hopefully get you home too. The theme for the party will be Yorkshire, and there's a prize for the best costume.

Other things you should know

There is a large salsa event taking place across the campus over the same weekend, including in parts of the sports centre. There will be plenty of parking space and changing room space for everyone though.

It can be quite cold in the sports tent when you're not playing, so bring a few layers. Also, please keep the doors closed, or the de-humidifiers won't be able to work properly.

Rubbish bags will be placed around the venue, please try and clean up as you go.

First aiders will be present during games.
